Midland Homes

territorial acknowledgment

Habitat for Humanity Ontario Gateway North acknowledges that our Building Futures Project in Midland is located on land which is the traditional treaty territory of the Anishinabek People, now known as the Chippewa Tri-Council comprised of Beausoleil First Nation, Rama First Nation and the Georgina Island First Nation. We also recognize the fact that the build is located on the traditional territory of the Huron-Wendat and the historic homelands of the Métis. We recognize that there have been Indigenous Peoples who have cared for and stewarded this land for generations. We would further like to recognize the connection and contributions of all First Nations, Métis, Inuit, unceded First Nations, and Indigenous Peoples. We acknowledge that we are all treaty people. We accept our responsibility to honour all our relations, as we strengthen ties with the communities we serve and work to build a future where everyone has a safe and decent place to live.
