

Habitat
for Humanity®
Ontario Gateway North

Orillia Lake Country

territorial acknowledgment

Habitat for Humanity Ontario Gateway North acknowledges that our Habitat homes in Orillia sit on the traditional territory of the Anishinabek People, specifically the Chippewas of Rama First Nation. We also recognize that the Habitat homes are located on the traditional territory of the Huron-Wendat who stewarded over the land since time immemorial. We recognize that there have been Indigenous Peoples who have cared for and stewarded this land for generations. We would further like to recognize the connection and contributions of all First Nations, Métis, Inuit, unceded First Nations, and Indigenous Peoples. We acknowledge that we are all treaty people. We accept our responsibility to honour all our relations, as we strengthen ties with the communities we serve and work to build a future where everyone has a safe and decent place to live.
